## Saturday 30th September 2023
## Team and Individual Boys/Girls Events!

The GSR Bairns Race is an ideal **entry level race** with both individual and team races. Teams consist of 5 racers and must include at least one girl or boy. This event is primarily a team event, those entered into teams will be automatically entered into an individual event.
Individual dual slalom races are by gender.

The day begins with individual dual slalom knockout races and racers either progress on in the competition to a second round or move to the "plate competition".
After all the individual races, we move onto the team event which is a Dual Slalom League format, where teams gain points accordingly as they race and win or lose against other teams.

**Event Times -**
**Practice 12.30pm**
**Racing starts 1.00pm**
**Prize Giving Approx - 4pm**

This event is open to U12 and 1st year U14 racers (2011 yob), 5 racers per team, of which at least one must be male/female. The individual competition will have a plate competition running alongside after the 1st round, ensuring a minimum of 2 individual runs for everyone.

**Order of Events** -
Individual Dual Slalom Knockout first round
Second round of the main knockout competition
Second round of the place competition
Remaining rounds of the Individual Competition
Dual Slalom Team Event
